Amendment of the Articles of Association

The AGM resolved, in accordance with the proposal of the Board of Directors, to amend the limits for the share capital and number of shares in the Company's Articles of Association, due to the resolution at the previous AGM regarding the change of reporting currency in connection with the Company's conversion from a European Company (SE) to a public limited liability company.

Authorization for the Board of Directors to resolve to issue shares, convertibles and/or warrants

The AGM resolved, in accordance with the proposal of the Board of Directors, to authorize the Board of Directors to resolve on the increase of the Company's share capital through new issues of shares, convertibles, and/or warrants, with or without deviation from the shareholders' preferential rights, for the period until the next AGM. Payment may be made in cash, by set-off, in kind, or otherwise under conditions. The Company's share capital and number of shares may be increased by an amount and number within the limits of the articles of association at any given time.

The purpose of the authorization and the reasons for any deviation from the shareholders' preferential rights are to enable issues to meet the Company's capital needs and secure the Company's continued operations and development. In the event of deviation from the shareholders' preferential rights, the issue shall be made at market conditions, with the possibility of a market discount.
